

The client or client's site representative shall complete this form to assess the contractor's performance for an entry. A set of guidance notes on assessment of these performance aspects is provided at **Appendix V**. Markings are to be given on a scale of 1 to 5 - with '1' being the best and '5' being the worst. Please rate the markings for each item. Ticking in between boxes is not permitted. One form shall be completed for one entry.

8. Effectiveness and Performance on Environmental Management
(in particular the specific and “appropriate” measures on nuisance
abatement, green construction, green purchasing and waste
management) ☐ ☐ ☐ ☐ ☐

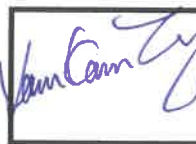

Innovation Awards for Safety and Environmental Excellence
